

Blue Rose Capital Advisors is a leading independent financial advisor with a focus on public and private higher education institutions nationally. Our fiduciary responsibility is of utmost importance as we provide strategies, financing solutions, and analysis that address our client's interests and objectives first and foremost. Our nearly 85 higher education clients trust us to advocate for them, understand and convey the latest issues affecting their mission and capital plans, and deliver the innovative solutions they need to create optimal debt financing results. We provide debt advisory, derivatives advisory, P3 advisory and reinvestment services and are extremely proud to sponsor the 2018 ACC Fiscal Officer's Conference.
