Aleph Working Group

June 15, 2011, 10:30-11:30 am, 248 Hesburgh Library

Agenda:

New: Inter-campus returns (Tracey)

- Could authorize workstation IDs for cross malc returns
- Book would be on loan to 'transit' patron
- Would like to try before semester starts
- Still send books via wheels, but patron would no longer be responsible for it
- Most likely will need to "connect to" the home library. Will need to distribute updated permitted libraries file by version check.

Updates: Duplicate Barcodes

- Down to 79 pages, about 3000 barcodes (originally over 300,000)
- Some items are no longer with us. Would be interesting to look at Aleph inventory features.

Updates: Student Billing

- On target for July 1st

Updates: Fiscal Year End Close

- Have tested it with serials encumberance
- Last day to pay June 21
- Last day to order June 24

New: Annual Report

Other topics?

- Cleanup job to delete ghost headings (manage-15)
    - ND this weekend
    - HC, BC & SMC tonight
