

Aleph Working Group

January 18, 2012, 10:30-11:30 am, 248 Hesburgh Library

Agenda:

Service Pack

- * There is a fix for an availability problem in the February SP.
 - We will discuss timeframe for implementation at the February meeting.

Patron Expiration (Update)

- Hesb. sends email to faculty based on Justin's report.
- Tracey has contacted HR to let them know what we are doing. [If university ID expires, library account expires same month.]
- We now have card readers on the east/west doors of the library. There is a possibility that we will lock down the library at 10pm, for card access only.
 - Question: will students from the other campuses be able to get in after 10pm?
- Will add hours gradually over the semester, i.e., close at 3am instead of 2am. But will close earlier on Fridays.

Linking Text for Electronic Resources (Update)

- Was discussed at November meeting
- Indicate institution for limited resources
- Eliminate "click here" wording.
- Can we do global changes?
