Aleph Working Group

March 21, 2012, 10:30-11:30 am, 248 Hesburgh Library

Agenda:

Service Pack

- Steps:
  - Refresh Database
  - Sync Tables
  - Implement SP
  - Test
- Timeframe: May, needs to be done prior to FYEC in June.

Patron Logger

- Wanted to get circ data by Call number
- Edited template for that report to add column for call number
- Kevin will send updated template to Justin. Justin will add as a template option for all libraries.

Date Format

- Will change date format to Oct-01-2011 instead of 10/01/12 for online (move to prod)
- Test similar changes for printed products

Linking Text for Electronic Resources (Update)

- Saint Mary's Online Access
- Bethel Online Access
- Holy Cross Online Access
- Notre Dame Online Access
- Online Access
- To Do
  - Check Primo tables for default link text
  - Check fix routines to ensure correct text
  - Update validation rules & have staff start using new text
  - Run Global Changes

New Books & Leasing Best Sellers

- Notre Dame would like to expand New Books display
  - Currently this is just publications from the last two years with pretty colors.
- Provide multiple copies of Popular Fiction and Best Sellers
  - Possible leasing arrangement with Baker & Taylor
  - May be able to use the automated wdr process developed for SMC when we send them back
