

Writing Prompt #12
Due 11/19

On Sakai, there is a folder entitled Week #12 OD vs. EGG. This contains 4 files. This is the order you should read them in:

1. Rosenberg et al. 2002
2. Dunsworth et al. 2012
3. Dunsworth 2018
4. Ocobock 2020 - forthcoming

Please read each of these articles. For the article I wrote – PLEASE DO NOT DISTRIBUTE! This article is in press and set to come out in 2020. Also, you can read the whole article if you like, but the pages relevant to OD vs. EGG are 17-22 and are the only ones you really need to read.

1. What is your name?
2. What is the Obstetric Dilemma (brief explanation)? What evidence supports it? What evidence refutes it?
3. What is the Energetic Gestation and Growth Hypothesis (brief explanation)? What evidence supports it? What evidence refutes it?
4. Do you agree with one more than the other? Why?
5. **For each article** please write 2 comments and 2 questions so you are prepared for class discussion.
