Alumni Association Releases Coaches Panel DVD

They once walked the sidelines of the world's most storied football field, carrying the hopes of the Fighting Irish faithful on every Saturday afternoon in South Bend. Now you can go back to those gridiron glory days once again with Ara Parseghian '74 Hon., Gerry Faust, and Lou Holtz '90 Hon. in "Notre Dame Football: A Retrospective," a limited edition DVD of their historic roundtable talk with Regis Philbin '53.

Recorded during the Notre Dame Alumni Association's Reunion 2011, this is a once-in-a-lifetime gathering of Notre Dame football coaches and a window into the humor and heartache that came with their dream job. It is the perfect gift for the ultimate Irish fan.

"Notre Dame Football: A Retrospective" is \$19.95 plus \$4.95 shipping and handling. Net proceeds from the sale of the DVD will benefit the Chuck and Joan Lennon Endowment for Excellence in Alumni Programming.

Don't miss out on this piece of Fighting Irish history! The DVD is available for purchase at the Eck Visitors Center on campus or you can order it online now through the [Irish Shop](#).
