

EXPERIENCE NOTRE DAME

MEETINGS + EVENTS

Our goal is to enrich your experience through a professional, simple, and joy-filled partnership. Here's how we're making your successful event possible.

NEW NAME FOR YOUR CAMPUS PARTNERS

- **VenueND is now Experience Notre Dame**, offering a more comprehensive event planning experience.
- **University Catering is now Three Leaf Catering**, providing improved quality and partnerships.

EXPANDED & STREAMLINED CONFERENCE SERVICES

- **Our team will assist you** with budget management, integrated venue management, off-site transportation and hotels, and more.

NEW EXPERIENCES

- **A Reimagined McKenna Hall.** The newly renovated McKenna Hall opens September 1, and will feature a variety of event spaces to host your next academic conference. All your attendees will be treated to a warm atmosphere and state-of-the-art amenities.
- **Rohr's Food Truck.** Notre Dame's iconic restaurant is hitting the road. The food truck is a great focal point for a smaller event, or a neat addition to a larger one.

IMPROVED CATERING PARTNERSHIPS

- **Three Leaf Catering.** Enjoy an enhanced culinary experience with a single new menu across campus. We're featuring dishes with fresh, locally sourced and seasonal ingredients prepared by our new team of executive chefs.
- **Three Leaf Express.** For casual gatherings of 25 people or less, or if you simply need drop off service.

REDUCED COSTS

- **We have decreased the price** of internal room rentals across campus, and made your event more affordable by eliminating unnecessary costs for internal events at Notre Dame Stadium.

Thank you for being a loyal partner. We look forward to bringing your next academic conference, meeting, or event to life. **To learn more or book your next event, please call 574.631.1400 or visit experiencesandevents.nd.edu**
