

Corporate Sponsorship Package 2025-2026

The American Institute of Aeronautics and Astronautics (AIAA) student branch at the University of Notre Dame strives to create community, competence, and confidence in students who are interested in pursuing careers in the aerospace industry. As a professional society, AIAA facilitates connections between students, faculty, and leading industry members. By partnering with us, sponsors play a direct role in enriching the academic and professional development of our members through support of our initiatives.

We are proud to host a wide range of events throughout the year that provide students with meaningful learning experiences, networking opportunities, and real-world exposure to the aerospace industry. These events include, but are not limited to:

- **The Intern Fair:** Underclassmen are able to hear the internship experiences of upperclassmen and their summer experiences.
- **Faculty Dinner Series:** Groups of students dine with faculty members to engage in academic discussions and build deeper connections within the department.
- **Guest Speaker Events:** Alumni, experts, and industry professionals give presentations on their career paths, industry experiences, and insight into the aerospace world.
- **Professional Readiness Workshops:** Throughout the year, various events aimed at building resumes, talking with employers, making connections, preparing for interviews, and more.
- **Design Clubs:** AIAA oversees the operations of Notre Dame's Design Build Fly (DBF) club and Rocketry Team (NDRT).

AIAA brings together students from various backgrounds and disciplines. Our club membership includes students from different majors, all united by an interest in aerospace. For the 2025-2026 academic year, the branch will be headed by Rita Barhouche (rbarhouc@nd.edu) and Mary Daniher (mdaniher@nd.edu). For more information, please check our website (<https://sites.nd.edu/aiaa-club/>), our instagram [aiaa.nd](https://www.instagram.com/aiaa.nd), or linkedIn Profile (<http://linkedin.com/company/notre-dame-aiaa>). For any questions, concerns, or insights into the club, please feel to contact our officers directly or email us at aiaa@nd.edu.
