

Writing Prompt #2  
Due 9/3

Please answer these questions BEFORE reading Chapter 2! There are no right or wrong answers, I just want you to explore what you know and what you think you know before reading the text.

1. Who was Charles Darwin? What questions do you think he sought answers to?  
How might you have gone about answering those questions?
2. How do you think evolution happens?
3. How do you think the theory of evolution has changed since Darwin's time?
