

Writing Prompt #6
Due 9/24

Please answer these questions **BEFORE** reading **Chapter 7!** There are no right or wrong answers, I just want you to explore what you know and what you think you know before reading the text.

1. What is your name?
2. What are two different ways you think primate communicate?
3. Do you think there is a relationship between primate diet and anatomy? How so?
4. What are two types of primate social behavior you have heard of before?

AFTER READING

1. Why do you think folivores tend to have larger body sizes?
2. How has social behavior benefited primates?
