I am submitting my work for inclusion in the online and/or print publication Journal of Data and Societal Endeavors. I acknowledge that publication of the work may imply my legal rights with respect to the work and its contents, including my ability to publish the work in other venues. I hereby grant the University of Notre Dame permission to reproduce, publish, disseminate, publicly display, or publicly perform the work in any medium at the University's discretion (including, but not limited to, JDSE and sites.nd.edu/dsejournal), should the editors elect to accept my work. I reserve the right to authorize reprinting, or republication provided such reprinting, or republication includes credit to the Journal of Data and Societal Endeavors for publication of the work. I guarantee that the work is original and that I have power to make this agreement. I do not have any other publication agreements that involve this article or substantial parts of it. I understand that I may revoke this grant of permission following publication, however, I acknowledge that the University cannot control or retract works that may have been accessed by third parties prior to my revocation of permission.
